

Elisabetta Versace — Curriculum Vitae

Current position

- Senior Lecturer (tenured) at Queen Mary University of London (UK)

Previous academic positions

2018-2021: Lecturer at Queen Mary University of London (UK)
2014-2017: Postdoc at Animal Cognition and Neuroscience laboratory, University of Trento (Italy)
2016-2017: Postdoc at the de Bivort lab, Center for Brain Science, Harvard University (USA)
2012-2013: Postdoc at the Institute of Population Genetics, VetmedUni Vienna (Austria)

Qualifications

2020: Fellow of the Higher Education Academy (UK)
2008: PhD in Psychology at the Animal Cognition Laboratory, University of Trieste (Italy)
2004: Degree in Psychology (Psychobiology), University of Trieste (Italy)

Recent Research grants

2021-2022: Royal Society Leverhulme Trust fellowship: *Generalisation using sparse data: from animal to artificial systems* (PI: £65,000)
2021-2024: Leverhulme Trust research grant: *Generalisation from limited experience: how to solve the problem of induction* (PI: £269,000)
2021-2022: ESRC research grant: *Augmented Feedback to Enhance Motor and Artistic Learning During Social Distancing* (PI: £294,000)
2020-2022: BBSRC research grant: *Developmental reprogramming following prenatal acoustic signals* (PI: £253,000)
2019-2021: Alan Turing Institute grant: *General AI and interactive robots for farming* (PI: £22,000)
2019: Royal Society Research grant (PI: £20,000)
