Decree of the President no. 3 of the 23.12.2020

Mr. President,

Regarding the Legislative Decree 30 March 2011, no. 165 and successive modifications and integrations, and, in particular, arts. 35 and 57;

Regarding the President's Decree of the Republic of 9 May 1994, no. 487 and successive modifications and integrations;

Regarding the current Regulation of the Personnel of the Body;

Considering the deliberation of the Administration Council n. 4 of 23/7/2019 with which it was approved the scheme of public competition for the assumption on a contract of work for a full-time and indeterminate unit of personal profile Functionary, V level professional with competencies for the service of planning, health and security on the work of the personnel of the Zoological Station Anton Dohrn and the management of the administrative activities;

Regarding the public selection notice n. 17/2019 published in full on the website of the Zoological Station in date 11/10/2019 and in the notice of the Official Gazette of the Italian Republic, IV series special, n. 81 of 11/10/2019;

Considering that on 18/11/2019 it expired the deadline for the presentation of the requests for participation in the public selection;

Considering the urgency of proceeding with the nomination of the examination committee public competition in order to allow the start of the concoursual procedure;

Decree

Considering the reasons set out in narrative,

By nominating the Commission examination committee public competition for titles and exams for the assumption on a contract of work for a full-time and indeterminate unit of personal profile Functionary, V level professional, with the service of planning, health and security on the work of the personnel of the Zoological Station Anton Dohrn and the management of the administrative activities (notice n. 17/2019), as follows:
