

Anna Santin

Born in Rovigo (Italy) on 21/10/1992

Tel: +39 081 5833211

Fax: +39 081 7641355

e-mail: anna.santin@szn.it

Skype: anna.santin92

Current Position: Ph. D. student

Director of Studies: Dr. Maria Immacolata Ferrante

Internal Supervisor: Dr. Alessandra Rogato

External Supervisor: Dr. Angela Falciatore

Program: Open University, XXI cycle

Affiliation: Department of Integrative Marine Ecology (IME), Stazione Zoologica Anton Dohrn, Naples (Italy)

Education/Training/Experience

Institute and Location	Degree / Function	Year	Field of Study
Università degli Studi di Padova (IT)	Bachelor internship	2014	Macroalgal evolution and phylogenetics
Università degli Studi di Padova (IT)	Bachelor Degree	2011-2014	Biology
Stazione Zoologica Anton Dohrn of Naples (IT)	Workshop	May 2016	Bioinvasions in the Mediterranean Sea
Università degli Studi di Padova (IT) - Stazione Zoologica Anton Dohrn of Naples - Ischia (IT)	Master Internship	2016-2017	Algal morphology and physiology in response to Ocean Acidification
Università degli Studi di Padova (IT)	Master Degree	2014-2017	Marine Biology
Università degli Studi di Padova (IT)	Master Internship	2018-2019	Genetic engineering of microalgae
Università degli Studi di Padova (IT)	Master Degree	2017-2019	Industrial Biotechnology
Stazione Zoologica Anton Dohrn of Naples (IT)	Summer School	July 2019	Protein Evolution
Stazione Zoologica Anton Dohrn of Naples (IT)	Workshop	December 2019	Genomics for a Blue Economy
Open University (UK) - Stazione Zoologica Anton Dohrn of Naples (IT)	PhD student	2019-now	Diatom biology and functional genomics

Appointments and awards

2017: Qualification to the Profession of Biologist

2019: Study grant for excellence “Mille e una lode” by University of Padua
