

## **Luigia Santella**

Born in Marigliano (NA) on 10/02/1957

Tel.: +39 081 5833289

Fax: +39 081 7641289

e-mail: santella@szn.it

**Current Position:** Research Director, Coordinator Morpho-Functional & Bioimaging Unit

**Current Affiliation:**

Section Biology and Evolution of Marine Organisms, Stazione Zoologica Anton Dohrn, Napoli (Italy)

**Education/Training/Experience**

Institute and Location	Degree / Function	Year	Field of Study
University of Naples Federico II	Degree in Biological Sciences (summa cum laude)	28/01/1982	Biological Sciences
Cell Biology Laboratory, Stazione Zoologica Anton Dohrn	Research Fellow	1983-1988	Cell & Developmental Biology
Marine Biological Station, Woods Hole, Mass., USA	Visiting Researcher	1983	Neuroscience Research
Electron Microscopy Division, University of Ulm, (Germany)	Training Experience	1989	Ascidians Embryogenesis
Cornell University, New York, NY (USA) (In Vitro Fertilization Center),	Visiting Researcher	1991	Human <i>in vitro</i> fertilization
Department of Physiology of the University of Freiburg (Germany)	Training Experience	1997	Computer programs and confocal microscopy
Cell Biology Laboratory, Stazione Zoologica Anton Dohrn	Research Associate	1988-2004	Cell & Developmental Biology

Cell Biology Laboratory, Stazione Zoologica Anton Dohrn	Research Director	2004- present	Cell & Developmental Biology
Cell Signalling Laboratory, Stazione Zoologica Anton Dohrn	Head	2005-2008	Cell & Developmental Biology
Biology and Evolution of Marine Organisms Section	Group Leader	2015-	Cell & Developmental Biology
Morpho-Functional Analysis and Bioimaging Unit	Coordinator	2015-	Cell & Developmental Biology
Asamushi Research Center for Marine Biology, Tohoku University, Japan	Visiting Scientist	1993- present	Cell & Developmental Biology

### **Appointments and Memberships**

- 2015 Member of the Editorial Board of Biochemical Biophysical Research Communications
- 2015 Coordinator of the Morpho-Functional & Bioimaging Unit of the Stazione Zoologica Anton Dohrn
- 2014 Member of the Editorial Board of Zoological Letters, the official Journal of the Zoological Society of Japan
- 2014 Member of the Editorial Board of Zygote
- 2004-2009 Member of the Editorial Board for Physiological Reviews
- 2004 Member of Academia Europaea
- 2003-present ICRO/UNESCO Executive Committee Member

### **Invited Speaker at International Symposia, Congresses, and Advanced Courses (last 10 years).**

About 30 invitations to talk at International Colloquia and Symposia including some Gordon and FASEB Conferences.

### **Teaching activities**

Teacher at International Advanced Courses and Faculty Member of the International Institute for Collaborative Cell Biology and Biochemistry (IICCB) since 2002.

Supervisor of Italian and OPEN University PhD students and Postdoctoral researchers.

### **Organization of Symposia:**

- 2013 International Symposium on The dynamically active egg: The legacy of Ernest Everett Just (held to celebrate the 130<sup>th</sup> anniversary of the birth of Ernest Everett Just), Naples, 13 May.
- 2009 Academia Europaea Annual Conference on Risks, Environment, and Sustainable Development, Napoli, Italy.
- 2004 EMBO Workshop on Calcium Signalling and Disease, Capri, Italy.

1997 First European Conference on Calcium Signalling in the Cell Nucleus, Baia Paraelios, Italy. Reports on the Conference have appeared in Cell (92:17-23, 1998) and in Cell Calcium (22:313-319, 1997).

## Publications (h index: 28)

*List of publications of the last 10 years:*

### Peer-reviewed publications:
